Sponsorship Opportunities

We would like to invite you to be a part of this great event by becoming a sponsor! Your donation of money, products, or services will demonstrate commitment and goodwill to the community. With your help, we can make this a tournament that all players and spectators will remember!

How to be a sponsor?

- Cash Sponsorships (\$1000, \$750, \$500, \$300, \$200, \$150, \$100, \$50)
- Promotional items/services for the participant
- Door Prizes to be raffled throughout the tournament
- Food or beverage items for the tournament. (Kickoff tournament banquet, Saturday lunch, or Sunday Finals lunch)
- Professional services for the tournament or for the tournament participants. (This list is endless!)

What do you get?

Tournament Website

Your logo and link will appear on our website. This will be seen by all registering and non-registering players.

Tournament E-mails

In all e-mails that are sent to our players, your logo and link will be included. These e-mails will be going to all players during the entire tournament to keep them updated with results, pictures, and upcoming daily events. These e-mails also include inclement weather or anything else.

Tournament Tent Space

What a better way than to promote your products and services while onsite? You will be able to interact with players, spectators, and passers-by at the park who are wondering what the buzz is about.

Tournament Slide Show

If you can't be at the tournament physically but still want to promote your business, then you can be on our volunteer slide show. Just provide us with some material, and we can provide a slideshow on a large LCD TV at the tournament club house during the entire tournament! (Deadline: Sept 24th)

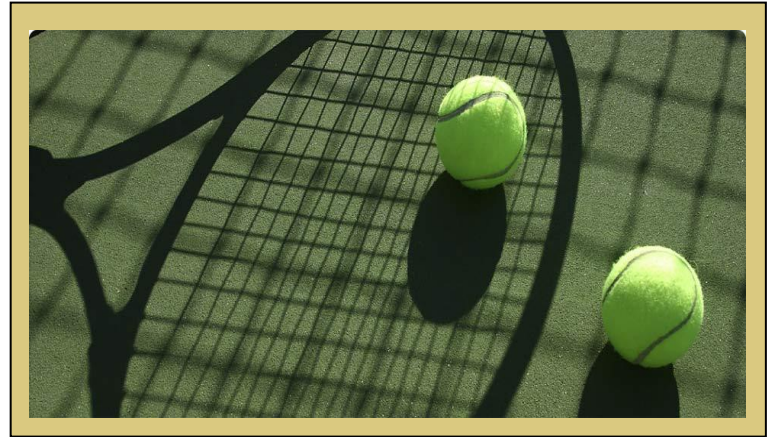

Tournament T-shirt

One of the best, old-fashioned ways to market your product or service is with a t-shirt. Your logo/design will be on the back or sleeve of our cool t-shirts! (Deadline Sept 17th)

Tournament Flyer

Your logo/design will be on our flyer. This flyer will be all over Hall, Forsyth, and Gwinnett County courts, subdivisions, schools, universities, and anywhere else you can think of that we can put a flyer! We are spirited!

** None of these sound good to you? Please give us a call and we are all ears. We want this to be a win-win situation!*
